What People Are Saying...

"The facilities at Willow Valley have always been top-notch; we've never had a problem. The staff are extremely helpful, from the marshals to Patrick, the chef; they just can't do enough for you. They go out of their way to accommodate all of your requests, and they check in with you throughout the tournament to make sure you're happy and that everything's going as you want it to go. We always get positive feedback from our participants; everyone always looks forward to coming out to the tournament."

.....
– Bernice Flegg, Genworth Financial,
organizer of Genworth Financial's annual
Client Charity Golf Tournament

"We like the golf course; the people running it are very good. We started as a group of eight or ten people, and now we're up to over 20. There's a lot of competition out there; you have to be competitive with what you offer. We play at other courses sometimes, but we're at Willow Valley every Friday morning. We're looking forward to starting again this year. It's a good value proposition. It's a lot of fun, and they don't hassle us. We usually play within our allotted time frame, but if we get a bit behind, they treat us in the proper manner. We always have a beer and sandwich after, and the food is pretty darned good, and the prices are good."

.....
–Perry Mogus,
advantage golf package customer

"Your course is one of our favourites. We enjoy it; it's a nice course, it's a fair course, and it's normally in very good shape. The people are all nice. We're there at least once a month, pretty much from the start of the season until it closes."

.....
–Mike Cowling, organizer of
the Two-Timers' Group, which
plays golf twice a week

"I love the course; I love the people at Willow Valley. They're so friendly; it's like going home to family. It's one of those places where you go, and they greet you by your first name. The staff is amazing!"

.....
–Agnes Birch, member of
Willow Valley Golf Club's women's
league for over a decade

"I remember the first time we were driving by Willow Valley Golf Course, I found it so beautiful. It's always in great shape. The greens are great; they're challenging. I always look forward to coming back as soon as it's open. I like the people there. And still, as soon as I start driving in there, I find it beautiful; I find it peaceful."
